

JEWISH DREAM GROUP PRAYERS

Opening Chant/ Candlelighting

B'or'cha Nereh Or

In Your Light may we see Light (Ps 36:9)

Opening Prayer

Sovereign through Space and Time...

I am Yours as are my dreams. I have dreamed a dream and know not what it is. Whether I have dreamed of myself, my companions have dreamed of me or I have dreamed of others, if they be good dreams, affirm and reinforce them like the dreams of Joseph; if they require remedy, heal them, as the waters of Marah were healed by our teacher, Moses, as Miriam was healed of her leprosy, Naaman of his leprosy, Hezekiah of his sickness, and the waters of Jericho by Elisha. As You transformed the curse of Balaam into a blessing, so turn all my dreams into something good for me and all who champion the Source of Life (Bt Berakhot 55)

Before Sharing a Dream (Leader to Dreamer)

While interpretation is of God, please share with us your dream (Genesis 40:8)

After Working a Dream

Dreamer: Through this dream may my soul find wholeness and release (Psalms 55:19)

Padah b'shalom nafshi פדה בשלום נפשי

Group: Peace, Peace unto you and we who support you: May God always be your aid (I Chr 12:19)
